

## SCHOLARSHIP FOR ENGINEERING STUDENTS

ACEC Florida is proud to support the next generation of engineers who will help shape Florida's communities and infrastructure. One qualified student will be awarded a \$5,000 scholarship to support their academic and professional journey.

### Eligibility Requirements:

- Enrolled in an ABET-accredited engineering program at a Florida college or university.
- Minimum 2.75 GPA or higher.

### Selection Criteria:

- Personal motivation and inspiration for pursuing a career in engineering.
- Vision for how your engineering education will positively impact your community.
- Demonstrated commitment to contributing to the future of the engineering industry.

**ACEC Florida is committed to investing in students who demonstrate academic promise and a passion for advancing the engineering profession in Florida.**

**Deadline to apply is March 13, 2026.**

One  
qualified  
student will  
be awarded  
**\$5,000**
